

The background is a dark, textured surface resembling a chalkboard. It is covered with various white chalk-like drawings and symbols. On the left, there is a large, detailed drawing of a microscope. Above it, a globe of the Earth is visible. Scattered around are various mathematical symbols including a large 'V', a plus sign, a percent sign, a division sign, and a less-than sign. There are also some faint, illegible scribbles and lines.
